Public Information (Scott F: PublicInfo@aalv.org)

- NEW! Single cards available. Cost effective and printed in color.
- Literature racks with AA brochures & schedules are available to distribute to places such as libraries, schools; anywhere you can think of. **Volunteer opportunity: place literature racks in appropriate locations to reach alcoholics.** Contact Scott at address above if you have a location in mind.
-

Telephone Service (Bob L. & Sue B.: Telephone@aalv.org)

- Cloud Phone receives 250 calls per month on avg. Most calls have been answered thanks to the volunteers.
- Due to high volunteer participation, 12 volunteers per month will rotate. You will be made aware by email when your month is. Hotline calls go to the first volunteer to answer his or her phone.
- You can still volunteer to answer phones in the IG office. However, volunteers are sometimes not turning phones back to the Cloud Phone. If this happens, all calls will be dropped. This method of service is being phased out.
- Anonymity of AA hotline volunteers is taken seriously. Phone volunteer list should be kept in confidence and AA members' phone numbers should never be given out to callers.
- There is a list of individual members who are willing to drive hotline callers to meetings. This is not a service ABE IG provides; it is a service by individual members. These members' numbers will be distributed to Hotline volunteers.
